Building a well-trained, highly skilled nursing workforce to compassionately care for patients now and in the future is at the core of the UF Health educational experience being brought to life here at UF Health Leesburg Hospital.

The UF Health Leesburg Hospital Foundation is committed to raising \$1 million to create an education and sim center that will help our nursing students transfer their classroom learning into clinical practice.

**Reserve your place now!**

# Sponsorship Levels

## WHAT IS SPORTING CLAYS?

Sporting clays, often referred to as 'golfing with guns', is enjoyable for beginners and experienced marksmen. It is a shotgun shooting competition in which clay pigeons are presented to the gunner in ways that simulate the type of shotgun shooting one might normally encounter while hunting in the field. The shooting grounds are laid out in stations with each station representing one type of bird or a combination of game. Teams will be made up of foursomes, and scoring is individualized.
